

Dear

I am writing in response to your request under the Freedom of Information Act (FOIA) to be provided with information on the following:

(1) Disclosure by Estyn of details of which 'Master Classes' were being referred to in relation to able pupils provision (para 5, page 7) as well as which 'local university' was being referred to. Any details of how many pupils attended those 'Master Classes', or else a disclosure that we do not hold that information.

(2) Information that fully conveys the responses received from (a) parents and (b) pupils in relation to the standard questionnaire, howsoever completed and submitted as part of the overall inspection process. Each possible response to each question asked expressed as a fraction/percentage, together with the total number of responses in each case. You should interpret this question widely, and not seek to restrict the disclosure of all the data available and held by you.

Under FOIA, Estyn is required to:

- (i) confirm or deny whether it holds the information of the description specified in the request
- (ii) communicate the information requested to the applicant

Having reviewed the data held by Estyn I can confirm the following:

- (1) There were events that involved the STEM subjects and public speaking – there could have been more but Estyn has no information on these. The university being referred to is Bangor University. We do not have any information about how many pupils attended these classes.
- (2) Please find attached pdf document that contains the breakdown of questionnaire responses as requested.

I hope that this information is helpful to you.

If you are not satisfied with the response Estyn has made regarding your request for information, you are entitled to request that we review the matter. Your request for a review should be addressed to the Feedback and Complaints Manager, and receive no later than 20 working days after the date of this communication.

If you are still not satisfied, you also have a right to complain to the Information Commissioner, who can be contacted at:
