Dear

Thank you for your email, in which you formally request information in regards to Myddelton College.

When dealing with requests for information made under the Freedom of Information Act 2000 (the 'Act'), Estyn's obligations include:-

1. Confirming or denying whether it holds information of the description specified in the request;
- and 2. Communicating the information requested to the applicant.

There are a number of exemptions under the Act that impact these obligations. Estyn is required to consider whether an exemption applies in the context of the information being released into the public domain, not just in the context of the information being released to the particular applicant that has requested the information.

If Estyn releases information in response to a Freedom of Information request, this is essentially a decision that the information can be released in response to any similar request from any member of the public.

In response to your request, I can confirm that under our retention policy all of the inspection evidence for the 2019 visit has been deleted.

Having discussed the issue with Estyn's lead inspector for independent schools and the relevant members of the 2019 core inspection team, I can confirm that the school fully met the Independent School Standards (Wales) Regulations 2003 at the time of publication of the report in May 2019.

With regard to issues relating to the boarding accommodation, these issues should be raised with Care Inspectorate Wales.

If you are not satisfied with the decision Estyn has taken regarding your request for information, you are entitled to request that we review the matter. Your request for a review should be addressed to the Feedback and Complaints Manager, and received no later than 20 working days after the date of this communication.

If you are still not satisfied, you also have a right to complain to the Information Commissioner through their website:
