Dear

As promised, I am emailing separately with regard to your FOI request in relation to the employment experience of Estyn HMI.

When dealing with requests for information made under the Freedom of Information Act 2000 (the 'Act'), Estyn's obligations include:-

1. Confirming or denying whether it holds information of the description specified in the request; and 2. Communicating the information requested to the applicant.

There are a number of exemptions under the Act that impact these obligations. Estyn is required to consider whether an exemption applies in the context of the information being released into the public domain, not just in the context of the information being released to the particular applicant that has requested the information.

If Estyn releases information in response to a Freedom of Information request, this is essentially a decision that the information can be released in response to any similar request from any member of the public.

In response to your request, I can confirm the following in respect of each of your three queries:

- Number of HMI with three or more years' experience as a Head Teacher in a secondary setting 7
- Number of HMI who have been a Headteacher in more than one school 17
- Number of HMI who have been a headteacher at a time the school was moved out of an Estyn category 10

In collating the information I have interpreted the second and third queries as relating to all schools, not just those with a secondary setting.

If you are not satisfied with the decision Estyn has taken regarding your request for information, you are entitled to request that we review the matter. Your request for a review should be addressed to the Feedback and Complaints Manager, and received no later than 20 working days after the date of this communication.

If you are still not satisfied, you also have a right to complain to the Information Commissioner through their website:
